

UNOPS Regional Photography Competition

World Water Day 2017

In the context of World Water Day 2017, United Nations Project Services is inviting participation in a Regional Photography Competition targeting youth from **28 February to 20 March, 2017** in six islands - Mauritius, Comoros, Maldives, Seychelles, Cap Verde and Sao Tome.

The theme is **Water 4 Islands**.

Entries should be submitted exclusively through the web page dedicated to the photo competition **by 20 march, 2017 at** <http://aio-iwrm.org/contest/>.

The 3 finalists at national level from each country will be registered for the Regional Contest and **2 best entries** will be selected from the six countries. The United Nations Operational Services will sponsor the 2 winners to attend the Stockholm World Water week in September, 2017.

Eligibility: Participants should be between 18 to 32 years and should be citizens of Mauritius. Citizens not living in their country of origin are excluded from the competition.

Selection Criteria: The detailed selection criteria are available on <http://aio-iwrm.org/contest/>.
