

**Waste Water (Registration of Waste Water Carriers and Disposal of Waste Water) Regulations
2006**

GN No. 37 of 2006

Regulations made by Minister under section 47 of the Waste Water Management Authority Act

THE WASTE WATER MANAGEMENT AUTHORITY ACT

1. These regulations may be cited as the **Waste Water (Registration of Waste Water Carriers and Disposal of Waste Water) Regulations 2006**.
2. In these regulations -

"authorised officer" means an officer designated under regulation 3;

"permit" means a waste water carrier permit issued under regulation 6;

"Register" means the register of waste water carrier kept and maintained by the Authority under regulation 4;

"road" has the same meaning as in the Roads Act;

"waste water carrier" means a vehicle registered under regulation 5 and includes any trailer.
3. (1) The Authority may designate such authorised officer as it thinks fit for the proper discharge of its functions under these regulations.

(2) An authorised officer shall be issued with an identity card by the Authority for purposes of his identification.
4. The Authority shall keep and maintain a Register in such manner as it may deem fit in which shall be recorded the particulars of registration and deregistration of waste water carriers.
5. (1) No person shall use a waste water carrier to carry waste water unless the waste water carrier is registered with the Authority.

(2) Any person who wishes to register, or renew the registration of, his vehicle or trailer as a waste water carrier shall -
 - (a) make an application to the Authority in the form specified in the First Schedule;

- (b) satisfy the Authority that his vehicle meets the requirements specified in the Second Schedule; and
 - (c) furnish the Authority with such information as it may require.
- (3) The Authority may, where it is satisfied that the applicant has complied with the requirements specified in paragraph (2) register, or renew the registration of, the vehicle or the trailer of the applicant as a waste water carrier on such conditions as the Authority thinks fit and on payment of the appropriate fee specified in the Third Schedule.
- 6.**
- (1) Subject to paragraph (5), the Authority shall upon registration of a vehicle or trailer as a waste water carrier issue or renew a permit, as the case may be, in the form specified in the Fourth Schedule to the owner of that vehicle or trailer.
 - (2) Any condition attached to a registration under regulation 5(3) shall be specified in the permit.
 - (3) A permit shall at all times be kept in the waste water carrier.
 - (4) A permit shall not be transferable.
 - (5) The Authority shall not issue or renew a permit to an applicant who has previously been convicted of an offence under the Environment Protection Act or any regulations made under that Act.
 - (6) Where a permit is lost or defaced, the Authority shall, on an application made in writing to it, issue a duplicate permit on payment of a fee of 1000 rupees.
- 7.**
- (1) The Authority shall deregister a waste water carrier where -
 - (a) the owner, driver, or person in charge of the waste water carrier fails to comply with any conditions attached to the permit;
 - (b) the owner, driver or person in charge of the waste water carrier is convicted of an offence under the Environment Protection Act or any regulations made under that Act: or
 - (c) the waste water carrier no longer meets the requirements specified in the Second Schedule.
 - (2) The Authority shall upon deregistration of a waste water carrier cancel the permit issued to the owner of that vehicle.
 - (3) Where a permit is cancelled under paragraph (2), the owner of the waste water carrier shall, within 30 days of the date of cancellation of the permit, surrender the permit to the Authority.

8. (1) Subject to regulation 7, a permit shall be valid for a period of 12 months as from the date of its issue and may be renewed.
- (2) A permit shall be renewed within 28 days of its expiry failing which a surcharge of 50 per cent of the renewal fee shall be levied.
9. (1) Any police officer in uniform may require the driver of a waste water carrier to stop his vehicle for inspection by an authorised officer.
- (2) Every driver or person in charge of a waste water carrier shall produce, on demand, the permit to any police officer in uniform or authorised officer who produces his identity card.
- (3) An authorised officer who produces his identity card may collect samples of waste water from any waste water carrier for the purpose of analysis.
10. No person shall -
 - (a) cause waste water to be carried on a road, except in a waste water carrier;
 - (b) cause waste water to be carried on a road in a waste water carrier which does not satisfy the conditions of its permit;
 - (c) dispose of any waste water at a place other than a station specified in the Fifth Schedule.
11. (1) Any person who contravenes or fails to comply with these regulations shall commit an offence.
- (2) Any owner, driver or person in charge of a waste water carrier who fails to comply with any condition of a permit shall commit an offence.
- (3) Any person who commits an offence under these regulations shall, on conviction, be liable to a fine not exceeding 10,000 rupees and to imprisonment for a term not exceeding 12 months.
12. The Waste Water Authority (Licensing of Effluent Carriers and Disposal of Effluent) Regulations 2001 are revoked.-
13. Notwithstanding regulation 5(1), any licence issued under the Waste Water Authority (Licensing of Effluent Carriers and Disposal of Effluent) Regulations 2001, in respect of any effluent carrier, which has not expired at the commencement of these regulations shall remain valid, on the same conditions, as if these regulations had not come into operation.
14. These regulations shall come into operation on 3 April 2006.
